| 2 MR. JARRARD: May I approach the witness,                         | 2     | A. No. I wasn't there,                                            |     |
| 3 Your Hostor?                                                     | 3     | Q. You didn't laugh and ridicule at her                           |     |
| Q. (BY MR. JARRARD) Let me show you what's been                    | 4     | A. No.                                                            |     |
| 5 identified as Defendant Exhibit No. 7. Can you                   | 5     | Q while she was being arrested that day?                          |     |
| 6 identify that document, please?                                  | 6     | A. No.                                                            |     |
| 7 A. It's a printout of our CAD screen dated 12-6,                 | 7     | Q. What about this report would indicate that                     |     |
| 8 2007.                                                            | 8     | none of that occurred?                                            |     |
| 9 Q. And that's a report that's made internally at                 | 9     | A. I'm sorry?                                                     |     |
| 10 the Georgetown Police Department. Is that correct?              | 10    | Q. Is there anything on this report that would                    |     |
| 11 A. Yes.                                                         | 11    | indicate that none of that could have occurred?                   |     |
| 12 Q. And are you familiar with how those are                      | 12    | A. Well, if that would have occurred, I would                     |     |
| 13 prepared?                                                       | 13    | have wrote in this police report, I would have                    |     |
| 14 A. Yes.                                                         | - 1   | wrote an incident report on that, documented it all as            |     |
| <ol> <li>Q. Does it accurately reflect what occurred on</li> </ol> | i     | far as in the reports, and it would have went use of              |     |
| 16 that day as far as your report?                                 | F     | force up to my chain of command, submitted my video               |     |
| 17 A. Yes. I'd seen this years ago. I haven't                      | - 1   | Into evidence, all kinds of reports made by me. But               |     |
| 18 seen it in a while.                                             | •     | the other thing, the biggest thing is I guess the                 |     |
| 19 MR. JARRARD: We'd move to admit                                 | - [   | times on mine when I responded was 16:25 hours, and I             | į   |
| 20 Defendant's Exhibit No. 7.                                      | - 1   | cleared at 16:31 hours, which is I guess six minutes.             | İ   |
| 21 MR. FERNANDEZ: No objection.                                    | 21    | Q. So you were From the time you were called                      |     |
| 22 THE COURT: Defendant's Exhibit 7 is                             | 22    | that a deputy needed assistance to the time that you              | ļ   |
| 23 admitted.                                                       | - 1   | said, "I'm off this call" was six minutes?                        | ļ   |
| 24 Q. (BY MR. JARRARD) And on this, does it                        | 24    | Å. Yes, sir.                                                      | ì   |
| 25 explain what you were doing on the scene at                     | 25    | Q. Did you know Officer Button before this?                       |     |
| 1 Ms. Pupko's home that day?                                       | 12 1  | A. I've seen him around. I honestly didn't know                   | 204 |
| 2 A. Well, it's an account of me getting                           | 2     | who he was until I walked in because I haven't seen               |     |
| 3 dispatched there in order to assist the deputy and               |       | him in years.                                                     |     |
| 4 some call notes and then a final disposition and my              | 4     | MR. JARRARD: No further questions. Pass                           |     |
| 5 times I responded and cleared.                                   | 5     | the witness.                                                      | 1   |
| 6 Q. And you weren't called there to investigate a                 | б     | CROSS-EXAMINATION                                                 | 1   |
| 7 crime. Is that correct?                                          | 7     | BY MR. FERNANDEZ:                                                 | 1   |
| 8 A. Correct.                                                      | 8     | Q. If I were to hand you a report that you wrote                  |     |
| 9 Q. You were not called?                                          | 9     | on November 6 of 2002, would you remember what you                |     |
| 10 A. No.                                                          |       | did, how you drove down there, whether you circled                |     |
| 11 O. So you were there for what purpose according                 |       | around, any of the particulars of that offense?                   | ŀ   |
| 12 to the "notes" field on that?                                   | 12    | A. Depends on the like the circumstance like                      | ł   |
| 13 A. The note says "WCSO has one detained need                    | 1.3   | if it was something that ». I guess it was impacting              |     |
| 14 unit for check by," and then another entry of "already          |       | me at the time or if it was something that I don't                |     |
| 15 en route to jail."                                              |       | know. I just - Yeah, certain ones I do and certain                |     |
| 16 Q. So do you recall any particulars about what                  | - 1   | ones, I wouldn't.                                                 | }   |
| 17 happened when you arrived at the Pupko home that day?           | 17    | Q. Well, from 2002 in November of 2002, do                        | ŀ   |
| 18 A. I never arrived at the home. What I remember                 |       | you remember the particulars of the second call that              | İ   |
| 19 is finding the I'm sorry Officer or Sergeant                    | 19    | you might have made that month?                                   |     |
| 20 Dulton on Williams Drive, and I circled in behind his           | 20    | <ul> <li>A. I do on this one because it bothered me at</li> </ul> |     |
| 21 unit and followed him to the jail and then once he              | 21    | the time because I was pulled in                                  |     |
| 22 went into the sally part, I went 10-8 or back on duty.          | 22    | Q. I'm not asking you about this one. Do you                      | į   |
|                                                                    |       | remember the particulars This is December. I'm not                | 1   |
| 23 Q. So you didn't help arrest Ms. Pupko that day?                | 1     | trying to confuse you. I'm talking about November,                |     |

| 15 Q. Sure.                                                                                                            | 15 A. Well, like I was listening to some of the                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| 16 A. Well, as being a patrol sergeant I don't                                                                         | 16 testimony. I mean, it's difficult if you're trying to                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 17 know - maybe a haif a dozen or two dozen a year. As                                                                 | 17 investigate an offense and you don't know who you're                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 18 an officer, I made, you know, 50 to a hundred a year                                                                | 18 talking to or you don't you can't You know, you                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
